SUMMARY

December 23, 2005

Commissioner for Patents
P.O. Box 1450, Alexandria, VA 22313-1450

Sir:

As required, the Applicant now summarizes the interview of November 22, 2005: The issues were discussed, relating to the rejections under §§ 102 and 103. The Examiners indicated that a supplemental Advisory Action would be sent, because the first was defective in stating that the Applicant's proposed amendments would be entered for purposes of appeal. The Examiners recommended that a Request For Reconsideration should be submitted. The Applicant will shortly submit such a paper.

Respectfully submitted,

Nick Bromer (Reg. No. 33,478)
